

Name	Work	2011, Qtr 3					
		May	Jun	Jul	Aug	Sep	
Project Setup	7d						
Autonomous Go-Kart	389d						
Assessment: Specification Report							
Design phase	162d						
System Diagrams	36d						
Schematic Design	14d						
PCB Design	21d						
Parts List	25d						
Servo Selection	35d						
Servo Circuit Schematics	14d						
Servo Mount Design	14d						
Costing	3d						
Order Electronics	21d						
Order Servos	21d						
Build Hardware	35d						
Mechanical Hardware	21d						
Build Servo Brackets	21d						
Electronics Hardware	14d						
Populate components	14d						
Autonomous Hardware	60d						
Sensors	30d						
Control interface	30d						
Software Devel	90d						
Automation Software	45d						
Control Software	45d						
Deadline for new jobs in the workshop
